## A two-week workshop On "AR VR MR-2023"

Organized by: Department of Computer Science and Engineering in collaboration with VR AR MR Club, IIC of the University, and VR AR MR Community, Noida.

Dates: October 23<sup>rd</sup> – November 4<sup>th</sup>, 2023

### **Introduction:**

Department of Computer Science and Engineering of Jaypee University of Engineering and Technology, Guna, Madhya Pradesh, successfully organized a two-week workshop on "AR VR MR-2023" from October 23<sup>rd</sup> to November 4<sup>th</sup>, 2023. The workshop aimed to provide participants with valuable insights into Virtual reality together with the vast opportunities that augmented reality provides through the accessibility of a Smartphone. The sessions conducted on introduction, careers, and applications of these technologies together with hands-on project building exercise on Unity Engine. Participant learned to create an Augmentation of a Jet-Plan 3D model on a marked target and experienced projects in blender and Unity through VR devices like Oculus Quest 2 and HTC Vibe ( HMDs ).

### **Participants:**

The workshop witnessed an enthusiastic participation of 320 attendees. Participants included 21 faculty & staff members and 299 students from various disciplines.

### **Outcomes and Feedback:**

The workshop received overwhelmingly positive feedback from the participants. They expressed their appreciation for the well-structured sessions, knowledgeable facilitators, and the practical approach adopted during the workshop. Furthermore, the participants left the workshop with a strong sense of motivation and a belief that similar events should be organized more frequently to continue enhancing their knowledge and skills in this area.
