

## NOTICE

### JAYPEE - UF LINKAGE: 8<sup>TH</sup> SEMESTER AT UNIVERSITY OF FLORIDA, GAINESVILLE, USA

1. Under the MOU entered into between the Jaypee Universities and the University of Florida, Gainesville, USA, select students of **ECE/CSE** from the JIIT, JUIT and JUET can spend their 8<sup>th</sup> semester at UF (Department of Computer & Information Science & Engineering) for undertaking course work leading to the Senior Certificate in Computer Science and Engineering.
2. Students have to satisfy eligibility criteria of UF, and will have to undertake 12 credits of course-work (project included). Under the MOU, a special rate of US\$ 460 per credit hour of the course-work (total of \$ 5520) (as compared to US \$ 1200 per credit hour) has been agreed to for Jaypee students. Besides this, students will have to pay for their accommodation and food for the duration of their stay (16 weeks), which will be on an average US\$ 2500-3000. Students have to make their own arrangements for the purpose of stay, though some guidance may be provided by the University of Florida. It is brought out that approximately 75 to 80 students of Jaypee Institutes are presently located at UF. The costs mentioned here are subject to change as per the UF and fluctuation in value of Dollar against INR.
3. In case a student wishes to stay on at UF for the MS program in CSE, then he/she will have to satisfy the UF eligibility criteria of GRE (score of 305 or better) / TOEFL etc as applicable. Please note that participation in the Senior Certificate program does not imply automatic admission to the MS program. Further such student can also transfer anywhere between 6-9 credits of course-work (graduate level courses) earned at UF from the 8th semester to the MS program in case the students get the grades above B+ and provided such credits qualify as post graduate level courses.
4. Interested students of 7th semester in (odd semester) 2018 may submit their CV in the format to be collected from the Mr. Ravi Jha and submit soft copy of their CV to him, latest by **25<sup>th</sup> August 2018**, for onward transmission to UF which shall carry out the short listing based on the merit. Students must also note that they will have to make their own arrangements for travel, passport, visa, insurance cover and stay at UF in case selected for the program.
5. ECE students are required to take 14B11CI511, Operating Systems course and pass in it for being considered for UF (USA) admission.
